## OABGC HISTORY & MISSION

The Orrville Area Boys and Girls Club's mission is to enable all young people, especially those who need us the most, to reach their full potential as productive, caring, responsible citizens. The Orrville Area Boys & Girls Club fills a critical need. The Club builds character through everyday leadership and guidance in behavior and attitude.

Trained professional staff provide adult mentors and role models. Nationally recognized programs help young people succeed in school, stay healthy, learn important life skills, pursue interests in the arts and sports, and explore vocational choices.

Most importantly, the Orrville Area Boys & Girls Club shows youngsters that someone cares and wants them to realize their full potential as productive, responsible, and caring citizens.

The Orrville Area Boys & Girls Club is a local organization funded principally by local supporters including the Orrville Area United Way, fundraisers, grants, businesses and private contributions.

We keep our annual membership and program fees as low as possible. An annual membership fee of $10.00 allows year-round access to the Boys & Girls Club.

We have been providing services to youth of Wayne County for 50 years. We serve approximately 1,200 members from Wayne County.

We are guidance oriented. We emphasize positive values in the relationships members have with each other and with their adult leaders.
